Presidents Corner

January 2022

To Cedar Valley Woodworkers: As Milo turns over the presidency to me, I am reflecting on our past 2 years. I was the CVWA president in 2019. I enjoyed the challenge. Milo became president in 2020. After 3 meetings, Covid caused us to cancel our meetings until November of 2020. The November 2020 meeting was called, to have a required business meeting and vote for board members. Understandingly, attendance was very limited. Milo and the existing board agreed to extend their positions thru 2021. Early 2021 meeting agendas were difficult due to low participation and lack of outside speakers. YouTube woodworking videos provided great input for our meetings. We learned about angle grinding dangers, how to make a huge wooden key lock, conquering table saw kickback, Colin Knecht's Tips and Tricks, etc. Milo and I demonstrated how to curve glue ups with cables running through wooden staves. Dave Turner presented his "line and berry"

project. In April 2021, we had a joint meeting with Waterloo Technical Society. Our speaker was Greg Blomberg of Kendrick Forest Products. Later in the year, Greg Clark, of Hawkeye Community College, presented "Sustainable Design and Construction". Field trips included Kendrick Forest Products (in Edgewood, Iowa), Woodsmith TV / Magazine (Des Moines) and Great Planes Millworking (Nevada, Iowa). It has been a busy "recovery" 2021 year. December 2021 ended with high winds causing us to cancel our Christmas gathering. WE WILL KICK OFF 2022, WITH OUR CHRISTMAS POT LUCK MEETING ON WEDNESDAY 12 JANUARY 2022. PLEASE BRING YOUR PROJECTS TO SHOW MEMBERS AND SPOUSES. Milo is in charge of providing good weather. I hope all of you had a great Christmas, and are looking forward to a productive woodworking New Year.
